

THE TRANSPORTATION STORE

**Four decades of transportation
and warehousing expertise**

Founded in 1980

As a subsidiary of Champion Logistics, The Transportation Store efficiently manages truckload, less than truckload and intermodal shipping options across the United States. Despite seasonal fluctuations, our carrier team ensures ample capacity to meet your transportation needs.

Entrust our seasoned logistics experts to oversee the entire process. We personalize our driver networks to align with your preferred lanes and requirements. Moreover, our customer portal grants you comprehensive visibility into each shipment, offering step-by-step tracking and customizable reporting. It enables easy access to invoices, document libraries, and facilitates order and quote creation.

THE TRANSPORTATION STORE

TTS maintains multiple warehouse facilities in the United States

Five warehouse hubs

TTS's network of national warehousing hubs allows us to better serve the needs of our clients. TTS has designed a customer-centric website for transportation, material warehousing and distribution. Our system is equipped to oversee the entire lifespan of customer inventory, tracing the product from its inception through storage to its ultimate delivery at the destination.

Chicago, Dallas, Atlanta, Los Angeles and Las Vegas

THE TRANSPORTATION STORE

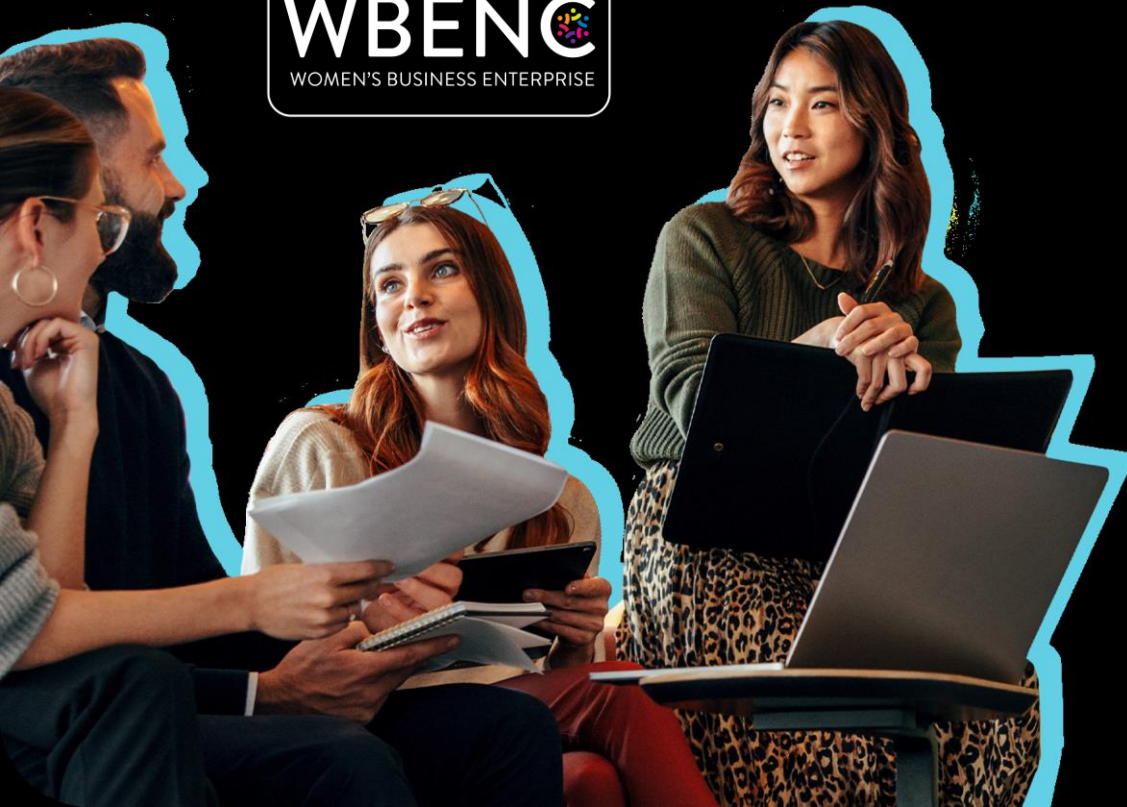

Working with a Women-Owned Business has its advantages

Women Owned

The Transportation Store is certified as a Women's Business Enterprise (WBE) through the Women's Business Enterprise National Council (WBENC), the nation's largest third-party certifier of businesses owned and operated by women in the US.

As an initiative to support and grow women-owned businesses, the federal government provides tax incentives to companies who conduct business with an WBE Certified or minority-run business.

THE TRANSPORTATION STORE

TTS is involved in a sustainability program through EcoVadis.

Silver medal recipient

This program is an evaluation of how well a company has integrated the principles of Sustainability and Environmental Health into their business and management systems.

The EcoVadis Sustainability Scorecard summarizes the sustainability rating and findings of TTS across four themes: Environment, Labor & Human Rights, Ethics, and Sustainable Procurement.
